How long is the Muddy Trail Run?

The Muddy Trail Run is a 5K course set on the scenic trails of the 1,200-acre Anthony Wayne Scout Reservation (Camp Chief Little Turtle).

The Muddy Trail Run is designed as a fun obstacle course. It is not a speed event. However, for those who want to test their speed, we'll have a few prizes for that, too.

What obstacles are on the course?

The obstacles on the Muddy Trail Run include a mud pit, river run, and sand dune climb, spaced out on the 5K course. More exciting activities are still being added, so watch for the course map to become available at www.MuddyTrailRun.com.

What does my registration fee include?

In addition to all the mud you can carry, every pre-event entrant before August 26, 2016, gets a long-sleeve cotton T-shirt, a bag, and an all-day pancake & sausage breakfast.

When you register, you'll be able to direct your support to Junior Achievement (including county-specific options for JA activities in your community) or the Boy Scouts.

Who can participate?

Form a team or be a solo participant. Either way, you'll laugh with new and old friends who will help pull, push, drag, or cheer you across the finish line.

Entrants must be at least 12 years of age. Those under age 18 must complete a Minor Waiver and secure the appropriate signatures. These forms are available on the event registration page. Return them to us when you pick up your registration packet.

And be sure to bring lots of family and friends along to cheer you across the finish line. There's plenty of room for them to spread out and watch the muddy fun.

What do I bring?

Wear your most comfortable clothes, especially those that can get really muddy and wet. A plastic bag will be handy for carrying those muddy wet clothes home, too.

Bring a towel or two. Showers will be available on site to rinse off.

Most importantly, bring your friends and family. They can bring chairs or blankets and snacks. Encourage them to capture the fun with cameras and video recorders, too.

No alcoholic beverages can be brought to the Muddy Trail Run.

What if it rains on event day?

The Muddy Trail Run will occur rain or shine, because rain will simply add more fun!

When can I register?

Start your registration at www.MuddyTrailRun.com. Online registration will be open through 5:00 p.m. Thursday, September 15, 2016. Registrations will be accepted on the day of the event. Watch the web site for heat times still open.

When you register, you'll be able to direct your support to Junior Achievement (including county-specific options for JA activities in your community) or the Boy Scouts.
